

## Course Accreditation

### *FAST* healthcare E-learning Courses for Health & Community Care: "NSF for Older People - The Single Assessment Process"

*FAST's* course on SAP has been accredited, from 27 October 2005, by the Royal College of Physicians – offering 3 CPD credits.

The Royal College's Assessor is a leading figure in this field and sits on the British Geriatrics Society Education and Training Committee.

The Assessor's comments include: *"Knowledge very relevant to work environment and I feel it is valuable CPD...The authors state it has been reviewed and validated - I contacted [other evaluators] who confirmed this....Information clear, accurate, reflects current and best practice. Scope of material clear and informative. Appropriate for target group...Personally, I found it interesting and useful and good CPD".*
